

Client Dashboard

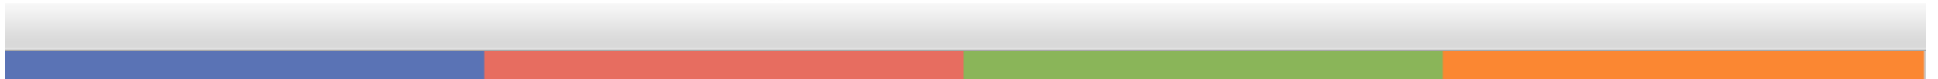

Online Reporting
Available to Customers of
OI Global Partners

THIS PRESENTATION IS FOR INTERNAL USE ONLY

April 2015

When you provide a customer with login credentials to OI Solutions, they can ...

1. See and download data on their participants only, past and present, on demand, securely
2. Check the status of their participants
3. Monitor their usage
4. See your notes
5. Monitor satisfaction measures only if you input them from the completed Quality Surveys
6. See what they have spent only if you input Projects

Client Dashboard

30-day snapshot of candidate engagement, use of OI solutions, and (if available) "spend" and satisfaction measures

You must designate "Projects" in order for this level of detail to display

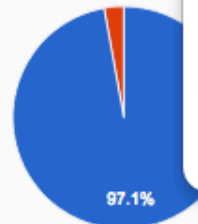

Engagement Snapshot
